Vice Chair Report

It's hard to believe, but spring is just around the corner and we will soon be meeting as a committee of the whole to decide what goals we will have for this next year and how to achieve them.

The two sub-committees have worked hard over the past year. The Intergroup Outreach sub-committee developed a workshop to help intergroups and took it on the road. The Each One Reach Once sub-committee developed a program to help groups and individuals reach out to those compulsive eaters still suffering on a one to one basis. Both sub-committees will present reports about their experiences and results.

We will have the opportunity to either continue these sub-committees or decide on new areas goals to direct our energies for the next year. I look forward to facilitating discussion about what we plan to accomplish over the next year. I know you will bring your enthusiasm and passion.

Thank you for allowing me to be of service,

Steve B
