

Chair Report for Assembly – March 2019

The Milwaukee Area Intergroup will be hosting the 2019 Region 5 Convention – Ride the A Train – on September 27th through September 29, 2019 – PLEASE SAVE THE DATE and share the information with all of your meetings and Intergroups!

The Region Chairs Committee (RCC) met in Pomona, California for the Region 2 Fall Assembly at the beginning of November. It helps us as Region Chairs to learn how the business of OA is handled in other Regions. We also have the joy of making new connections with members of the fellowship in the Regions we visit. When the Chairs met, we discussed our current committee work and did more planning for the Forum for the 2019 World Service Business Conference. I was delighted that the Region Chairs want to build on the theme of Each One Reach One this year as we seek to Grow OA Membership Worldwide.

The Intergroup to Intergroup subcommittee has scheduled a workshop for April 13, 2018 at Elmhurst Hospital in Elmhurst, Illinois from 9 a.m. to 4 p. The flyer for this workshop is available on the Region 5 website and we are asking meetings and Intergroups to share the information about this workshop. We believe that we can learn so much from each other when we join together and together, we get better. We are hoping for a great turn out from the Illinois Intergroups.

Think about inviting a friend from one of your meetings to attend your Intergroup meeting with you. It would be great if you were to bring a friend to the Assembly also. Visitors are always welcome at the Assembly and we hope your friends will want to start giving service at your Intergroup and Region 5. Often times, that personal touch makes all the difference. I know it did for me!

REMINDER – Please take some time to look at the website for your Intergroup or a nearby Intergroup and the Region 5 website – Region5OA.org. There is a lot of information there to share with the fellowship.
